GROUND ZERO

Small Group Discussion

The Week of: Nov. 18, 2026

What's your life like:

Take a few minutes to catch up on everyone's week. Choose an icebreaker:
- Would you rather wash a mountain of dishes or clean one really gross toilet?
- If you had a personal assistant for one day, what job would you give them?

What are we talking about this week:

Main Point of Message

- We're wrapping up our 5 Values to Live By series with a message on serving others. We'll close up the night with a serve fair where students will get to hear about opportunities to serve and some small group discussion time!

Bible Verses

- Mark 10:45 and John 13:4–5, 13–15

Discussion Questions

1. What is one way someone has served you recently? How did it make you feel?
2. Jesus was the disciples' Lord and Teacher. Why was it surprising that he washed their feet? What does that show us about serving?
3. What makes it hard to serve others?
4. Start small: What are some ways to serve by starting small?
5. Start where you are: Take time to identify where you are throughout your day and think through opportunities to serve in each place.
6. Start today: Would you still serve if nobody noticed or thanked you? Why or why not?
7. Serving also means stepping up and getting involved in church, or a local organization. Ask anyone who currently volunteers in that way to share about their experiences.

Now what:

Choose one person and one act of service you can do tomorrow. Share your plan:
"Tomorrow, I will serve _____ by _____."
