

Easy 3-Step Guide

to Journaling

SCRIPTURE:

Read a passage, focus on and write down one scripture from that passage.

Philippians 2:13: "For God is working in you, giving you the desire to obey him and the power to do what pleases him."

APPLICATION:

Write down some thoughts about how you can apply the words you read to your life.

Paul says that God is working in me. So often I think I need to change within my own willpower. Certainly I need to be an active participant, because the verse before this one says, "Put into action God's saving work in your lives." But this verse says that God is the primary change agent in my life, not me. So there are two ways I can know that God is in the process of changing me: When I have the desire to obey him and the power to do it.

PRAYER:

Write a short prayer stemming from what you just read. Then pray it, silently or aloud.

God, sometimes I neither have the desire or the power to do any of this, yet you never give up on me. I invite you to continue to work in me, helping me to become the person you want. Give me the desire and power to do it. Amen.
