

Small Group Discussion

The Week of:

Oct.28,2026

What's your life like:

1. What is your favorite snack combination?
2. Would you rather finish a 1,000 piece puzzle and discover that the last piece is missing, or bake and decorate an award winning cake but immediately drop it?

What are we talking about this week:

This week we are continuing our series called *Five Values to Live By* and we will be unpacking the value of connecting in community.

This week is also a decision message! Check in to see if any of your students chose to put their faith in Jesus and CELEBRATE, ENCOURAGE and PRAY for them! If they don't have a phone or didn't submit a form electrically, please get their name to your Pastor of Student Ministries. This allows us to follow up with that student.

Bible Verse: Genesis 2:18, Acts 2:42-47, Romans 3:23, 6:23, 10:9

Discussion Questions

1. Why do you think God said it wasn't good for Adam to be alone? Why do you think we need other people in our lives today?
2. **Read Acts 2:42-47.** What did these believers do together? What does sharing our lives as believers look like today?
3. How does showing up at Ground Zero help us live out the value of connecting in community? Talk through each part of the night and how it can help us be connected.
4. Our church describes community as being **known, loved, and challenged**. What could each of those look like in our group? How do we help each other feel know, loved, and challenged?
5. Sharing our lives includes both fun moments and difficult ones. Let's practice this: What's one good thing happening in your life, or one hard thing you'd like prayer for? You can share either one, both.

Now what:

Your puzzle piece says *Better Together*. What's one thing you will do this week to live out the value of connecting in community? Examples: Include someone in a conversation or activity. Share something honestly with your group or a trusted leader. Check in on someone and listen. Encourage a friend to keep following Jesus. Make a plan to spend time together.

Pray together to close: Invite students to pray for the requests shared above.
